Dear Parents:

Tyrone Thompson Elementary School is pleased to announce an opportunity for preschool children within our community, ages three, four and five. Your child must turn three before the first day of the 2022-2023 school year. If your child turns five before August 8th, then your child is not eligible for the program and must enroll in kindergarten. This unique experience will provide preschool instruction for the children, while being included in a learning environment with students, aged three, four, and five with disabilities. This opportunity will enable your child to receive valuable, age-appropriate instruction, as well as, provide the students with disabilities age appropriate role models.

We are looking for children who have age appropriate language and behavior skills. The children must be toilet trained and must demonstrate that they can be away from home and their parents for a day without duress. Parents will be required to transport their child to and from school. Consistent attendance is mandatory, including staying the duration of the school session, except in the cases of illness.

The first day of school is Monday, August 8, 2022. The program is half day, Monday through Thursday. There will be one teacher and one teaching assistant. Enrollment is limited in an attempt to maintain appropriate class size. Students will be selected through a lottery system. Unfortunately, we will not be able to notify you if your child is not selected.

If you are interested in your child participating in this learning experience, please complete the online Peer Application **and** Pre-K Skills Checklist by March 1st. We will be holding Meet and Greet sessions for all interested families on March 11th & April 22nd. Attendance at a Meet & Greet session is required in order for your child's name to be placed in the lottery. You will be contacted by phone to set up a date and time for a Meet and Greet session.
